

Gifts That Take the Cake

Make a Wish, Mary!

Over 100 years ago, See's Candies was founded using Mary's homemade confections. To this day, her original recipes (like peanut brittle and fudge), commitment to quality and black-and-white kitchen are still at the heart and soul of See's.

Mary turns 168 years old on September 16, and we're celebrating with sweet specials on her favorites (and yours, too.) Join the festivities at any shop (or visit sees.com) from September 10 - 17 for daily deals.
