

GREETINGS FROM

SoCal

See's CANDIES.

*A California Original*

In 1921, Mary and Charles See opened their first shop in the heart of Los Angeles. Over 100 years later, See's Candies has become as iconic to the SoCal scene as surf, sand and celebrities. American-made with the finest ingredients, our candies shine brighter than the California sun. But don't take our word for it. Go ahead, taste for yourself why See's has been a tradition for generations.
